The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration

Los Angeles, California 90012

Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

13 February 21, 2012

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

**FISH AND GAME PROPAGATION FUND GRANT AWARDS
(FIRST, SECOND, AND FOURTH SUPERVISORIAL DISTRICTS)
(3-VOTES)**

SUBJECT

Recommending approval to award grant funds from the Fish and Game Commission to stock fish at the Cerritos Regional Park, Kenneth Hahn State Recreation Area, La Mirada Regional Park, and the Whittier Narrows Recreation Area.

IT IS RECOMMENDED THAT YOUR BOARD:

Approve the following Fish and Game Propagation Fund Grant requests totaling \$17,600, to stock fish at the following parks and recreational areas for various events (Attachment I) sponsored by the Los Angeles County First, Second, and Fourth Supervisorial Districts:

1. Belvedere Park, 4914 E. Cesar Chavez Ave., in the unincorporated Los Angeles County (1), totaling \$5,100 for three events.
2. Whittier Narrows Recreation Area, 751 S. Santa Anita Ave., in the City of South El Monte (1), totaling \$2,500 for one event.
3. Kenneth Hahn State Recreation Area, 4100 S. La Cienega Blvd., in the City of Los Angeles (2), totaling \$2,500 for one event.
4. Cerritos Regional Park, 19700 Bloomfield Ave., in the City of Cerritos (4), totaling \$5,000 for two

events.

5. La Mirada County Regional Park, 13701 Adelfa Dr., in the City of La Mirada (4), totaling \$2,500 for one event.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Commission has determined that the grant requests will promote education, conservation and the propagation of fish and game thus benefiting the County of Los Angeles and the State of California.

At its meeting held January 12, 2012, the Commission considered several grant requests from the First, Second, and Fourth Supervisorial Districts, for the stocking of fish at various parks and recreational areas, for 15 fishing events. Due to the timing of some of the events, and the Commission's recommendation that the parks and recreational areas coordinate the events with the State Department of Fish and Game's stocking, seven of the 15 requests were continued to future Commission meetings. The Commission approved the remaining requests for eight events, totaling \$17,600, and is now recommending that your Board approve these grant requests from the Fish and Game Propagation Fund.

Since 1952, the Commission continues to support activities and projects that promote the best methods for the propagation and protection of fish and game in the State of California and Los Angeles County.

Implementation of Strategic Plan Goals

The provision of funding for these events is consistent with the County's Strategic Plan Goal No. 3 (Community and Municipal Services). In addition to enhancing the community's knowledge and understanding of conservation and the propagation of fish and game, the events will provide a safe and healthy environment increasing accessibility to County cultural, recreational and lifelong learning facilities and programs.

FISCAL IMPACT/FINANCING

There is no impact on the General Fund. The approved expenditure will be charged to the Fish and Game Propagation Fund, which has sufficient funds to cover the cost.

The Los Angeles County Fish and Game Propagation Fund is financed from a percentage of penalty assessments collected relating to fish and game code violations in Los Angeles County.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

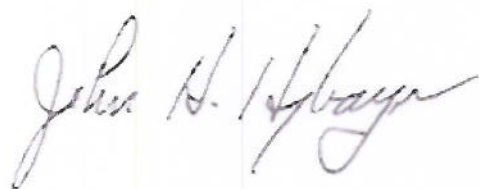

Section 13100 of the Fish and Game Code establishes guidelines for the expenditure of fines levied for fish and game code violations. It includes public education relating to the scientific principles of fish and wildlife conservation, consisting of supervised formal instruction carried out pursuant to a planned curriculum and aids in education such as literature, audio and video recordings, training

models, and nature study facilities.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This Board action enhances the education, conservation and the propagation of fish and game thus benefiting Los Angeles County and the State of California.

Respectfully submitted,

COUNTY OF LOS ANGELES FISH AND GAME COMMISSION

LOS ANGELES COUNTY FISH AND GAME COMMISSION INFORMATION FOR GRANT APPLICANTS

THE COMMISSION

The Los Angeles County Fish and Game Commission is an advisory body for the Los Angeles County Board of Supervisors and the Fish and Game Warden regarding the propagation and protection of fish and game in Los Angeles County and the State of California. It was created by authority of a resolution adopted February 26, 1952 under Chapter 3.26 and Chapter 6.44 of the Los Angeles County Code. The Commission administers and makes recommendations for the disbursement of funds received from fines for violations of the Fish and Game Code within the County of Los Angeles. Grant making is based on the availability of funds, geographical and categorical considerations and a thorough evaluation of the information provided by applicants. The Commission meets quarterly, but grant applications may be submitted at any time.

POLICY AND OBJECTIVES

The policy of the Los Angeles County Fish and Game Commission is to encourage the conservation and maintenance of wildlife resources in conjunction with Sections 1801 and 13103 of the California Fish and Game Code. This policy includes the following objectives:

- To enhance Fish and Game activities including propagation, protection and restoration
- To support Fish and Wildlife projects
- To further Research and Education in areas related to Fish and Wildlife

APPLICATION SUBMISSION REQUIREMENTS

One Page Project Summary

The County of Los Angeles Department of Parks and Recreation, Whittier Narrows Recreation Area, also known as Legg lake, is requesting funding from the County of Los Angeles Fish and Game Commission for the purpose of providing Youth and Family Fishing events at Whittier Narrows Recreation Area.

The funding will be utilized in March, (date TBD by DFG) July 13th and 14th and December 1, 2012.

The site is located at:

Whittier Narrows Recreation Area, Legg Lake, 751 South Santa Anita Avenue, South El Monte, CA 91733

Funding will be used to purchase:

1,000 pounds of trout for the "Spring Youth Fishing Event" held in conjunction with the Department of Fish and Game Fishing in the City and Daniel Hernandez Youth Foundation, date TBD.

2,000 pounds of catfish for the "Overnight Family Fun Fishing Event" sponsored by the Department of Parks and Recreation, July 13th and 14th.

1,000 pounds of trout for the "Fishing with Santa Event" held in conjunction with the Department of Fish and Game Fishing in the City, December 1, 2012

These programs are designed to provide a free family oriented recreational activity to residents of Los Angeles County while offering environmental education, enhancing the interest of fishing for at-risk youth and outdoor exercise experience for the entire family.

Page 3

Background on Applicant:

Purpose and goals:

The County of Los Angeles Department of Parks and Recreation, Whittier Narrows Recreation Area's mission is to meet the diverse leisure needs and recreational interests of more than two million residents of Los Angeles County that use the 1,400 acres of Whittier Narrows annually. This unique facility is comprised of many special interest areas. A 419 acre natural area and 1,100 acres of open park space and three lakes approximately 39, 25 and 13 surface acres.

Brief summary of current activities:

Whittier Narrows currently provides three fishing events annually working in conjunction with the education department of Fish and Game. Whittier Narrows and Daniel Hernandez Youth Foundation meets once a month at Legg Lake. This facility offers an enjoyable opportunity to residents of all ages to participate by providing the community open space to enjoy family picnics, fishing, riding walking and equestrian trails. Whittier Narrows also provides low cost community special events, organized sports programs and hobby activities throughout the year.

Geographic area served:

The County parks and programs are open to everyone without regard to race, ethnicity, income level or place of residence. Local parks are generally considered to have a service radius of 1/2 to 2 miles, while regional parks are not and thus can draw participants from areas that are remote from the park. The Department's vast resources include more than 65,000 acres of public open space and recreational areas spread throughout the 4,083 square miles of the County and located in various communities that differ greatly in ethnicity, income levels, population densities and other socioeconomic characteristics.

Major sources and dollar amounts of corporate, foundation and government support during current and past fiscal year:

Each year, Whittier Narrows Recreation Area maintains its park facilities through a combination of Department General Fund monies, user fees, donations, sponsorships, grants and endowments. Low cost community based events are dependent on sponsorships and donations to enable the facility to offer these events to the residents. There is no Department funding for the community-based recreation programs such as fishing events. One of this facility's main objective is seeking additional funding to enhance community programming at Whittier Narrows Recreation Area and to continue providing inner-city fishing to the public.

History of all grants received from the Los Angeles County Fish and Game Commission:

In 2002 - \$5,000.00; 2003 - \$ 5,000.00 for the Whittier Narrows "Overnight Fishing Events"
2004 - \$ 2,500.00; 2006 - \$ 2,500 - "Overnight Fishing Events"
2007 - \$ 2,500.00 - "Youth Fishing Derby"
2011 - \$2,500.00 - "Jr. Fishing Club"

Statement of how the objectives advance the propagation and protection of fish and wildlife:

Through collaboration with the Fish and Game Education department, Whittier Narrows would be enhancing the education of propagation and protection of fish and wildlife through the learning stations operated during the fishing events. Only through education can we ensure the proper respect for the future of wildlife and fish. Moreover, by stocking the lakes with additional fish, we contribute to the balance and maintenance of the fish population at Legg Lake.

Project budget and timetable:

The total cost of these programs for Fiscal 2010-2011 is \$40,000. The fees cover administrative costs, advertising, hot dog lunch for participants, free bait, prizes for raffle and indirect costs incurred from the programs. One of the most valuable cost savings is the dedication of over twenty volunteer that provide the technical support and man the educational stations during the event.

Sources of other support for project:

Currently, we are seeking additional sponsors. Support letters have been drafted and will be sent to major sporting good stores and private donors. The request is to encourage one of these major sources to subsidize the program for a minimum of five years. In addition we will continue to solicit donations from various groups, businesses, and private sources to off set costs, assuring that these valuable programs continue for our youth and their families. The success of past fishing events has generated the interest of some businesses to possibly help sponsor future events.

Current status of project:

Currently, a special recreation fund has been set up to assist in funding of recreation programming.

However, funding is not sufficient enough to cover total expenses and additional donations, both in-kind and monetary are being sought.

Cash flow analysis of the expenditure of project funds:

This years budget is based on the total cost of expenses from last years Youth Fishing and Over-night Fishing events and the desire for opening up the middle lake, due to the increase projected in participants over the years.

Proposed method of evaluating results:

The number of participants will be the major measurement of success. In addition, a registration form to be filled out by participants which will enable in monitoring age group, number of participants, first time participants and rod and reel borrowers. Dollar value of in-kind goods, materials and volunteer time will be an indicator form money saved.

Plans for funding on-going project (if applicable):

Whittier Narrows staff continues to request sponsorship from major sporting good stores,
department stores, youth oriented organizations are all being approached to support the
fishing programs at Whittier Narrows.

Dear John:

I will host a fishing event at Kenneth Hahn Regional Park on July 20, 2012. Youth that participate in summer programs at Second District parks, as well as scholars participating in Freedom Schools throughout the Second District will be invited to participate.

I write to request \$2,500 for this event from the Commission to purchase large catfish to stock the lakes. We are working in conjunction with the State Department of Fish and Game and local organizations and looking forward to introducing children to respect our water sources and to the wonders of fishing.

As you are aware, budget issues at the State level as well as cuts to our own County departments have impacted the ability to sufficiently fund worthwhile programs like this, so any consideration to increase the funding for these events would be appreciated.

Thank you in advance for your assistance. If you have any questions, please feel free to call my Deputy, Karly Katona at 213-974-2222.

Dear John:

On June 2, 2012, I will once again host the Cerritos Kids Fishing Derby event for the Fourth District children at Cerritos Regional Park, and in September / October 2012 (date to be determined) I will host the Knabe Katch at La Mirada County Regional Park.

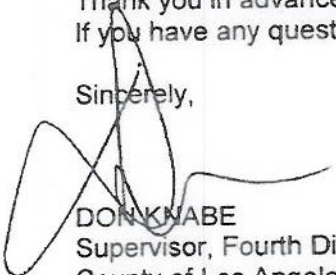

I am requesting \$2,500 for each park from the Commission to purchase large catfish to stock both lakes. We are working in conjunction with the State Department of Fish and Game, local organizations, and the Cities of Cerritos and La Mirada and look forward to continuing our efforts to introduce children to respect our water sources and to the wonders of fishing.

As you are well aware, budget issues at the State level, as well as, cuts to our own County departments have impacted the ability to sufficiently fund worthwhile programs like this, so any consideration to increase the funding for these events would be most appreciated.

Additionally, I am pleased to have partnered with the City of Hawaiian Gardens, the Daniel Hernandez Youth Foundation, and the State Department of Fish and Game to sponsor a "Kids Fishing Derby" in October at Cerritos Regional Park. This has grown into a very successful event in the Fall, and I would like the Commission to consider an allocation of \$2,500 for this worthwhile event as well. The date is October 6, 2012.

Thank you in advance for your assistance and support of these worthwhile community events. If you have any questions, please call my Parks Deputy, Erin Stibal, at (562) 804-8208.

One Page Project Summary

The Cerritos Youth Fishing Derby is an annual event that takes place every year in June at Cerritos Community Regional Park located in Cerritos, California. The event includes a generous stocking of catfish in the lake, a pancake breakfast provided by a community support group, fishing lessons provided by the State of California Department of Fish and Game's "Fishing in the City" Program, and a souvenir photo and awards. The event starts at 7:00am and concludes at 12:00pm. The event is free to the participants and open to children ages 2-15.

Grant Application
Page 3

Background on Applicant:

Purpose and goals:

We provide the residents and visitors of Los Angeles County with quality recreational opportunities that promote a healthy lifestyle and strengthen the community through diverse physical, educational and cultural programming, and will enhance the community environment by acquiring, developing and maintaining County parks, lakes, gardens, golf courses, trails and open space areas.

Brief summary of current activities:

Currently the County of Los Angeles Department of Parks and Recreation provides a diverse selection of recreational and educational activities including but not limited to youth and adult sports, fishing and environmental education, cultural celebrations and special events.

Geographic area served:

The Cerritos Youth Fishing Derby serves the following communities within the 4th Supervisorial District: Cerritos, La Mirada, Norwalk, Artesia, Hawaiian Gardens, Whittier, Santa Fe Springs, Bellflower, Lakewood and other surrounding communities.

Major sources and dollar amounts of corporate, foundation and government support during current and past fiscal year:

In previous fiscal years and in the current year this program is supported by funding from the State of California,
Los Angeles County, the Cerritos Rod and Gun Club and several community based organizations.

History of all grants received from the Los Angeles County Fish and Game Commission:

This is the first time that Cerritos Regional Park of Los Angeles County Department of Parks and Recreation
has applied for a grant from the commission for this event. Throughout the history of this event the 4th Supervisorial
District Office has requested funds for additional fish stock from the La County Fish & Game Commission.

Project Information

Statement of justification of need:

The Cerritos Youth Fishing Derby is a free public program and draws approximately 3,000 children to this event. Due to the large number of attendees and the limited amount of revenue generated from the program it is vital that we seek additional resources from the Commission to ensure a successful, educational and memorable event for all in attendance.

Statement of purpose and goals:

The purpose of the event is to introduce youth living in an urban setting to fishing, conservation and maintenance of wildlife. Our goal is to introduce and encourage fishing as a recreational activity while establishing and appreciation of the environment.

Action plan to meet objectives:

January 2012 - Set-up Meeting with stakeholders to discuss program implementation and submit grant application
February 2012 - Procure all equipment, services and supplies
March 2012 - Send out save the date flyers to all school districts within the 4th Supervisorial District service area.
May 2012 - Send out official flyer to School Districts and local businesses
June - 2012 Implement and evaluate the program

Grant Application
Page 6

Statement of how the objectives advance the propagation and protection of fish and wildlife:

By conducting the youth fishing derby we advance propagation by introducing new fish to the lake's environment, and contribute to the protection of the wildlife by educating the attendees to proper use of equipment, methods of angling and the importance of conservation.

One Page Project Summary

The Knabe Katch Family Fishing Derby is an annual event that takes place every year in September at La Mirada Regional Park located in La Mirada, California. The event includes a generous stocking of catfish in the lake, a pancake breakfast provided by a community support group, fishing lessons provided by the State of California Department of Fish and Game's "Fishing in the City" Program, and a souvenir photo and awards. The event starts at 7:00am and concludes at 12:00pm. The event is free to the participants and open to children ages 2-15.

Background on Applicant:

Purpose and goals:

We provide the residents and visitors of Los Angeles County with quality recreational opportunities that promote a healthy lifestyle and strengthen the community through diverse physical, educational and cultural programming, and will enhance the community environment by acquiring, developing and maintaining County parks, lakes, gardens, golf courses, trails and open space areas.

Brief summary of current activities:

Currently the County of Los Angeles Department of Parks and Recreation provides a diverse selection of recreational and educational activities including but not limited to youth and adult sports, fishing and environmental education, cultural celebrations and special events.

Geographic area served:

The Knabe Katch Family Fishing Derby serves the following communities within the 4th Supervisorial District: Cerritos, La Mirada, Norwalk, Artesia, Hawaiian Gardens, Whittier, Santa Fe Springs, Bellflower, Lakewood and the surrounding communities.

Major sources and dollar amounts of corporate, foundation and government support during current and past fiscal year:

In previous fiscal years and in the current year this program is supported by funding from the State of California, Los Angeles County, Norm's Restaurants, US Foods and several community based organizations.

History of all grants received from the Los Angeles County Fish and Game Commission:

This is the first time that La Mirada Regional Park of Los Angeles County Department of Parks and Recreation has applied for a grant from the commission for this event. Throughout the history of this event the 4th Supervisorial District Office has requested funds for additional fish stock from the La County Fish & Game Commission.

Project Information

Statement of justification of need:

The Knabe Katch Family Fishing Derby is a free public program and draws approximately 3,100 children to this event. Due to the large number of attendees and the limited amount of revenue generated from the program it is vital that we seek additional resources from the Commission to ensure a successful, educational and memorable event for all in attendance.

Statement of purpose and goals:

The purpose of the event is to introduce youth living in an urban setting to fishing, conservation and maintenance of wildlife. Our goal is to introduce and encourage fishing as a recreational activity while establishing and appreciation of the environment.

Action plan to meet objectives:

January 2012 - Set-up Meeting with stakeholders to discuss program implementation and submit grant application
May 2012 - Procure all equipment, services and supplies
June 2012 - Send out save the date flyers to all school districts within the 4th Supervisorial District service area.
August 2012 - Send out official flyer to School Districts and local businesses
September - 2012 Implement and evaluate the program

One Page Project Summary

The Youth Fishing Derby is conducted by the City of Hawaiian Gardens in partnership with the Daniel Hernandez Foundation. The event is a one day fishing derby for children between the ages of 5 through 15, free of cost. In addition, participants can borrow all the necessary equipment to fish from the County of Los Angeles Fish and Game Commission by attending an educational training on fishing and fishing safety. The purpose of the program is to provide public education relating to the scientific principles of fish and wildlife conservation. The program introduces the residents of Hawaiian Gardens and surrounding cities to potential fishing sites in the many city and regional parks lakes and ponds. In an effort to enhance the fishing experience the prior to the event the pond is stocked with a 1000pounds. The objective is to increase the odds for children who participate of catching a fish. The event also provides all participants and their parents with a free lunch. At the conclusion of the event we have a few raffles and prizes.

Background on Applicant:

Purpose and goals:

The City of Hawaiian Gardens aims to meet the wide variety of interest of its residents. We are dedicated to providing a safe and educational environment where children can play and interact.

Brief summary of current activities:

In addition to the City of Hawaiian Gardens many special events, we provide classes, sport activities, arts, games, tutoring, computer access and much more is offered on a regular basis.

Geographical area served:

The Fishing Derby services residents of Los Angeles County cities of Hawaiian Gardens, Cerritos, Lakewood and Long Beach.

Project Information

Statement of Justification of need:

The grant will assist the City in maintaining the Youth Fishing Derby. The event is designed with the intent to introduce fishing in our low income community. Without this service many local residents would not otherwise have the opportunity to fish.

Statement of purpose and goals:

The purpose of the program is to introduce the residents of Hawaiian Gardens and surrounding cities to potential fishing sites in the many city and regional parks lakes and ponds.

Action plan to meet objectives:

To provide a one day annual event were children between the ages of 5 through 15 can fish at no cost. The City of Hawaiian Gardens in partnership with the County of Los Angeles Fish and Game commission provides all the necessary equipment to fish at no cost. All children attend a mandatory fishing and fishing safety session before their participation in the Fishing Derby.
